

Sales worldwide (part-time or full-time) (m/f/d)

Blickshift GmbH is a young, innovative company that has its roots in the programming of a software tool for analyzing eye-tracking data. Founded in 2016 as a spin-off from the University of Stuttgart, Blickshift has developed into one of the top providers of eye-tracking data analysis and is currently expanding into other areas of data analytics.

Would you like to be a part of this success story? Then see if you like the following:

Your tasks:

- customer advice on our products
- internal coordination of offers with development and business development
- quotation creation and tracking for customers worldwide
- account management of existing customers together with the support

Your profile:

You are passionate about developing the most suitable solution for our customers and selling our products to them. You want to present an excellently technically implemented solution that opens up a wide range of new possibilities for our customers worldwide. You see our customers and prospects as long-term partners. Confident dealing with people worldwide in different cultures is a matter of course for you. You are fluent in spoken and written English. And you would like to further develop your skills in the field of data analytics in exchange with customers all over the world.

We offer you the following:

We are a small team that is agile and fast in its actions. If you imagine the well-known software giants as steamboats in the ocean, we are the small, agile racing yacht. With us there are no slowing down processes that hinder you in your tasks and make you dissatisfied in the long run. We offer you a job in a growing company with the greatest possible freedom for your daily work. Expand your skills by working in a team with other professionals to deliver the perfect solution to our clients.

If all this appeals to you, we look forward to receiving your application via our website:
